#### **Exhibitors' testimonials**

Toshiba Medical Services would like to thank ITE Uzbekistan for the high standard to which they organised our participation in TIHE 2013. We have taken part in this exhibition for many years. I would like to mention that this year we were pleasantly surprised by the increased number of visitors. A larger number of professionals came to our stand, to whom we were able to demonstrate the unique possibilities of Toshiba's medical equipment.

Anastasia Gritsishina Marketing Manager, Toshiba Medical Systems
